MESSAGE FROM FOUNDER

I am pleased to present the United Friendships Financial Statement for the year ended 31 December 2025. This report reflects our commitment to transparency, accountability, and responsible stewardship of the resources entrusted to us.

Through the dedication of our volunteers, the generosity of our supporters, and the strength of our community, we have continued to provide essential support through our feeding programs, mentorship initiatives, welfare assistance, and community outreach activities. Each life we touch reminds us why our work matters and why we must continue to do more.

I would like to personally thank every donor, volunteer, partner, and supporter who has stood with us throughout this journey. Your trust is the foundation of our work and the reason we continue to grow.

As we look ahead, our commitment remains clear: to build stronger communities, empower vulnerable groups, and create sustainable impact that will benefit future generations.

BOYS TO MEN 2026

UP NEXT ON UNITED FRIENDSHIPS

As we look ahead to 2026, United Friendships remains committed to creating lasting impact beyond immediate support. One of our major focus areas will be the launch of our Boys to Men Program, an initiative designed to guide young boys through mentorship, education, life skills development, and positive role modelling as they grow into responsible men

This program is built on the belief that early guidance, the right support system, and strong values can shape confident, disciplined, and compassionate future leaders. Through structured mentorship, community engagement, and personal development activities, we aim to support boys not just for today, but throughout their journey into adulthood.

The Boys to Men Program represents our long-term investment in the future of our communities, and we invite our supporters and partners to join us once again as we take this important next step.
